BRAIDWOOD FOLK MUSIC CLUB INC.

Hi folks,

An especially warm welcome to all in 2002 as we've made it to our tenth year! That long? I remember in the first year "Music at the Creek" was a small gathering of damp musos.

There's been a few evolutions since then but I hope this festival is still known for its friendliness, informality and mucking in; where we put up with a few Spartan facilities (what!) and maybe the tiniest bit of bad weather for dedication to good company, good music and good times.

As part of the Ten Year Celebration we've gathered together some amazing talent and I think there's enough music and song, poetry and general mayhem on the anniversary programme to satisfy the most savage soul. Under the big tree, there's the kids fest with day-long activities, especially musical ones - that's important - and next door to them is the dance stage.

Our big evolution last year was to become a finalist for the Banksia Environmental Award in 2001. The folks at Resource NSW established the infrastructure for that, for which we're extremely grateful. We're really proud to achieve that and hope to continue a "green and clean" tradition.

A big thanks for coming,. Have a great time and thanks for helping us keep Majors Creek a great place to be.

General Tundish was formed in 1999 as the result of hormones. Sean's background has been as an acoustic singer-songwriter of vaguely Celtic bent, and Ingrid has grown up with traditional European and Appalachian music. The combination of the two is, we flatter ourselves in thinking, terrifying. Our instruments include guitar, violin, Appalachian dulcimer, clarinet and whistle, but our primary focus is harmony singing. We also occasionally become distracted in the directions of blues and light jazz and, like Billy Connolly, we're working hard on growing old disgracefully. Contact: 03 5475 1485 Sat: 3.15pm Church

WHAT GOES WHERE:

Thanks for helping Music at the Creek recycle and compost as much as possible.
